Dear FBI,

I am writing to alert you to a matter of grave concern regarding potential criminal activities involving individuals named Phil Godlewski and Kelly Felix. Through a chat platform, I have become aware of potential illicit activities orchestrated by Phil Godlewski, possibly in collaboration with Kelly Felix of Goldco.

The information suggests that Phil Godlewski may be involved in criminal endeavors, with suspicions that his actions could be linked to Kelly Felix. Phil's rapid acquisition of properties and expensive homes worldwide, despite his previous financial struggles, raises significant questions.

He has used fraud, deceit and fear to encourage his audience to roll over their 401ks into gold without exposing the fees - to which hundred have complained about 40% or more loss when rolled over.

There are even cases of suicide that we suspect are connected because of the massive loss of savings and shock.

Given the gravity of these allegations, I urge the FBI to initiate an investigation into Phil Godlewski and any further ties he may have with Kelly Felix through their joint website GoldQuiz which was under the companies Underestimated LLC & Dedicated Services LLC as this is vital to ensure the safety and security of our community by swiftly addressing and apprehending individuals engaged in criminal activities.

I implore the FBI to take prompt and decisive action to thoroughly investigate these claims and bring those responsible to justice. Your swift intervention and diligent investigation are essential in upholding law and order within our society.

Thank you for your attention to this urgent matter.

Sincerely,

Dear FBI,

I am writing to alert you to a matter of grave concern regarding potential criminal activities involving individuals named Phil Godlewski and Kelly Felix. Through a chat platform, I have become aware of potential illicit activities orchestrated by Phil Godlewski, possibly in collaboration with Kelly Felix of Goldco.

Phil Godlewski conducts multiple fraudulent investment schemes. He gains the trust of his older followers by purporting to be a government/military insider with secret connections to Trump and various three-letter agencies. It sounds outlandish, but I assure you tens of thousands of people trust him and he has been able to scam at least fifty million dollars from them. One is through an affiliate marketing scheme with GoldCo called [GoldQuiz.com](https://www.GoldQuiz.com) with Kelly Felix. People who roll over their 401k or IRAs lose thirty to forty percent of the value of their retirement in fees and outrageously overpriced metals.

Another is 7K Metals, which also sells uneducated victims exorbitantly overpriced collectible silver in a multilevel marketing scheme. When victims complain he bans them from his Telegram and deletes their comments so his other followers are not dissuaded from investing. The worst part is he convinces them by assuring them that the US financial system is imminently going to crash and they will lose all their money if they leave it in the bank or market. I understand this sounds unreasonable, but many many people buy into it.

He also sells Trump Coins and Trump Bucks that have no value and uses AI generated voices of Trump and his sons to endorse these fraudulent schemes. Many of his followers have lost thousands on these schemes.

The icing on the cake is that Godlewski shelters the money he gifts by purchasing multimillion dollar properties in the names of various LLCs and he has not filed taxes in years. This is verified in his pending litigation in Lackawanna County against the Scranton Times.

Godlewski has a criminal history of check fraud, lying on gun applications, and corruption of a minor. The fact he is getting away with conning the life savings of hard working Americans is mind boggling. Please look into this.

He has used fraud, deceit and fear to encourage his audience to roll over their 401ks into gold without exposing the fees - to which hundred have complained about 40% or more loss when rolled over.

There are even cases of suicide that we suspect are connected because of the massive loss of savings and shock. All this is covered in [GoodLuckTV](https://www.GoodLuckTV.com) film "the greatest fraud on earth".

Given the gravity of these allegations, I urge the FBI to initiate an investigation into Phil Godlewski and any further ties he may have with Kelly Felix through their joint website [GoldQuiz](https://www.GoldQuiz.com) which was under the companies Underestimated LLC & Dedicated Services LLC as this is vital to ensure the safety and security of our community by swiftly addressing and apprehending individuals engaged in criminal activities.

The FBI headquarters is in Washington D.C. and for those paying attention we have now taken our exposure of Phil Godlewski to the next stage.

I am reaching out to invite 1-10 people to embark on a journey to the FBI and SEC HEADQUARTERS where you can make a complaint in person.

It will take these online complaints to the next level.

If you've been damaged by Phils crimes, if you were tricked into GoldQuiz/GoldCo, if you bought the snake venom filters, if you were sold Trump bucks, if you witnessed any of the above and live near the DC area...

Email me [nick@goodlion.tv](mailto:nick@goodlion.tv) and I'll have everything you need to make a successful trip and complaint. I will pay for gas, food, and lodging if necessary.

This is how we take down the cabal.
